FAMILY TIP SHEET Video Games and Violent Content

When it comes to video games, it's important to remember that not all games are created equal Today, there are a ton of age-appropriate games that are engaging, stimulating outlets for kids to have fun There are also many well-designed games, packed with educational content (You can check out ...

Video Games: What Are They Good For? - James Paul Gee

Video Games: What Are They Good For? James Paul Gee Mary Lou Fulton Presidential Professor of Literacy Studies Regents' Professor Arizona State University Like all technologies, video games can be good, bad, or indifferent: It all depends on how they are used (Gee 2007, 2014; Shaffer 2007) While there are many good uses to which we can put video games (eg, Bavelier & Green 2009), here I

Does the world need video games? - Amazon S3

Does The World Need Video Games? Benjamin Kenwright, Edinburgh Napier University W as your mother wrong? Are video games a waste of time? However, they actually making your life better De-spite hand-wringing over a supposed connection be-tween violence and video games (hint: there isn't any), numerous academic studies indicate that play-

Video Games & Violent Content - Common Sense

video games (Note: We know the video is from 2010, but don't let that worry you — it's still a compelling and timely summary of the good in gaming!) Of course, one of parents' main concerns about video games is the violent content kids encounter — and those parents are worried for good reason Part 2 of the case takes a closer look
